

GrabCover

SHEETING SYSTEM

transcover
we've got it covered!

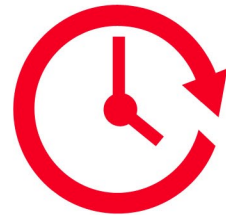

SAFE

Fast and efficient covering of grab-loaders from the ground or gantry.

SIMPLE

Installation takes just 10 man hours. Robust spring-driven steel arms provide force to the rear and are spooled from a motor at the front.

FAST

Covers in just 20 seconds!

Strong

Bent tube arms bolt together for a robust solution with no vulnerable corners / joins

Rip resistant mesh or PVC with tie down options

Proven

Over 10,000 systems installed
